⌘ FRIDAY - ROUND 1 ⌘

2:00 – 3:00pm

The Right Kind of Confident – with Mary Kassian

Need a confidence boost? Be honest: Who among us isn't plagued with fears, insecurities, and self doubt? In this session, Mary will compare the Bible's definition of confidence with the world's well-worn self-help formula to help you know how to turn the enemy's tool of fear on its head. Come learn how to become the bold, courageous woman God created you to be . . . a woman with remarkable grit who's got the right kind of confidence!

2:00 – 3:00pm

Cultivating Contentment – with Melissa Kruger

In a world that offers up many temporal pleasures, the one treasure that seems most elusive is the rare jewel of Christian contentment. Yet, the apostle Paul was able to write from a Roman prison, “I have learned in whatever situation I am to be content” (Phil. 4:11). How can we learn this same lesson in the midst of life’s ups and downs? This workshop will seek to understand the meaning of contentment, the snares that keep us from joy, and how to cultivate contentment within our hearts.

2:00 – 3:00pm

The Joy of Embracing Biblical Womanhood

– with Laura Perry

Have you ever felt like God’s design for women is less than ideal? Have you rejected the idea of biblical womanhood because it sounds restrictive and confining? Discover the purpose for which God made us women, the awe some beauty of His design, and the joy you can discover when you fully embrace how He created you.

2:00 – 3:00pm

How to Talk to Your Daughter about Gender

– with Dannah Gresh

There was a time when we would never have dreamed of needing a workshop like this, right? Not only is the topic of gender prevalent; it’s polarizing, dividing friends, families and even the Body of Christ. If you’re a mom who feels scared and ill-equipped for this conversation, you need to know something: you are not alone. The True Girl lead teachers have joined forces to facilitate this workshop for moms and grandmas with girls at all developmental stages, especially tweens (ages 7–12).

Happily Joyful After: Life-Giving Truth For Marriages - with Dannah Gresh

When one partner binges on sin, both the husband and the wife are swept into a vulnerable place of brokenness. The sacred oneness of this holy union results in collective pain. Dannah Gresh has been there, and by God's grace she and her husband, Bob, are living in what she calls "happily joyful after." Are You a Control Girl? - with Shannon Popkin

Do you erupt in anger or melt in fear over the things you can't control? Are you heavy-handed with others, or do you manipulate to get your way? TRUE YOU - TEEN TRACK

Is your teen daughter having trouble choosing God's rule in her life? Maybe she's submitting to the opinions of friends, social media, emotions, and other powers instead of the Lord. With so many things fighting to have the final say in her heart, why not equip your daughter to quiet the noise. Invite her to join you in surrendering to heaven's rule at True Woman '22.

Your daughter will experience many of the True Woman main sessions and memorable moments *with you*, but on Friday she'll get the opportunity to dive into God's Word in a full day workshop designed specifically for teens. During the True You workshop, she'll consider some of the most relevant topics girls between the ages of 12 and 19 are facing. The workshop includes deep biblical teaching, live worship, interactive Q&A, and reflective journaling time.

9:00 - 12:00pm

True You Teen Track - Morning Session - with Abigail Galliano, Dannah Gresh, Erin Davis, Janet Mylin, Kelly Needham, Laura Perry, Staci Rudolph

Heaven Rules (not your emotions, friendships, or social media!) In the morning, your teen will begin recognizing just how big the battle is for her to surrender to the rule and reign of Jesus in her life. We'll talk about emotions and learn that they should be indicators—not dictators—in our lives. And because they impact our emotions so powerfully, we'll explore social media and friendship to learn how to anchor our minds in God's Truth rather than the ever changing stream of trends and opinions.

2:00 - 4:30pm

True You Teen Track - Afternoon Session - With Abigail Galliano, Dannah Gresh, Erin Davis, Janet Mylin, Kelly Needham, Staci Rudolph, Laura Perry

Heaven Rules (not friendships or your crush!) Where do relationships fall in the lines of priority and influence? After two powerful teachings on friendship & romance, your daughter will be guided in a time of reflection to set goals that allow God to rule in those relationships. We want her to be able to leave certain that her relationship with Jesus is the most important one she tends to, and we will offer her an extended time of guided prayer to spend time with her Savior.

Dear Ladies of First Baptist,
